

PROPOSALS	Other information
Trail using existing public right of way or highway	Sea below mean low water
Trail using other existing walked route	Mud and sand
Trail shown on other maps	Other access rights and routes
	Public footpaths

Trail sections which follow existing public rights of way or highways are indicated by a suffix:

PC - Pedestrian Cycle Track
FP - Public Footpath

Explanatory note: coastal margin

Part 2 of the Overview to the report explains where the landward boundary of the coastal margin falls by default. Our proposals include any suggested variation of this default boundary. The purple wash on the map indicates where as a result of our proposals the coastal margin would extend significantly to the landward side of the proposed route of the trail. The coastal margin may include some areas where coastal access rights do not apply, either seaward or landward of the proposed route of the trail: the Overview explains more about this. The landward boundary of the coastal margin may in due course move inland, if the trail rolls back under proposals in this report to respond to coastal change.
